

OMEGA Has All Your Cash Register Needs

OMEGA offers cash register sales and service with credit card processing integrated into your register.

Whether you want new, used or reconditioned cash registers, OMEGA has them. We also offer touch screen systems, supplies, service, scanning and point of sale systems in all price ranges.

Not technical...not to worry. OMEGA provides all programming, installation and key sheets for all cash registers sold.

OMEGA services all equipment sold and offers maintenance contracts on most models.

Call 866-888-9724 or 859-442-8100 for more information or visit us at www.omegap.com
