

## OMEGA Makes Check Processing Fast and Easy

### We Also Give You Peace of Mind

**At OMEGA, we offer three options for your business to quickly and safely accept checks.**

■ **Check Guarantee with Remote Deposit**

With this option, the time consuming, expensive method of accepting paper checks has been replaced with a lightning fast, inexpensive process. Simply scan each check and have all funds electronically deposited to your account in 24-48 hours with no trips to the bank and no returned checks.

■ **Check Approval | Guarantee**

You have the option to have all checks guaranteed good or simply protect your company from known "bad" check writers at a lower cost. This can be offered with or without remote deposit.

■ **Check Recovery**

A completely FREE service where OMEGA collects any bad checks received by your business and pays you the full face amount of all bad checks.

**OMEGA makes electronic check processing safe, fast and easy.**
