

OMEGA...Credit Card Processing That's Fast and Affordable

As one of the nation's leading providers of electronic payment solutions, OMEGA can process your credit and debit card transactions faster, more securely, and less expensively than any other company. As an OMEGA credit card processing customer, you will receive:

- Lowest Total Processing Costs - Guaranteed!
- No Application, Set-up or Reprogramming Fees
- 24/7 Local Service and Support
- Free Equipment and Processing Software
- Referral Bonus of Up to \$100 per Account

OMEGA offers in-house approval and credit card processing for all major credit and debit cards including Visa, MasterCard, Discover and American Express.

You Can Do Business With OMEGA In Several Ways:

■ Retail Store Merchant Account

OMEGA has raised the bar for retail credit card processing with our state-of-the-art hardware/software solutions, unparalleled 24/7 local service, and guaranteed lowest price. We also offer credit card integration for your cash registers.

■ Mail Order | Telephone | Internet Merchant Account

OMEGA understands the special payment needs of your mail, telephone, or Internet business. Our customized, secure, easy to use payment software virtually eliminates fraud and chargebacks and qualifies your transactions at the guaranteed lowest rates. OMEGA's virtual credit card processing is easy to use and requires no equipment purchase...just use your PC to log into your account.

■ Remote Wireless Processing Merchant Account

If you operate a home based, delivery or remote business, OMEGA offers unique wireless credit card processing solutions that allow you to transact business anywhere, anytime and qualify those transactions at low, retail rates.
