

OMEGA...Gift Card and Loyalty Programs That Drive Sales

In today's competitive environment, generating and maintaining a competitive edge is more important than ever.

If you're still issuing paper gift certificates or if you have not experienced the "lift" that you were hoping for from your current gift card program, let OMEGA provide a free, no obligation consultation to show you how our unique Gift & Loyalty Card Programs are truly different and how these programs are driving additional revenue for our clients.

Our secure, reloadable, customized gift & loyalty programs provide a valuable, low cost method that allows your business to:

- Increase profits
- Attract new customers
- Build loyalty and drive repeat business from current customers
- Manage returns more cost effectively
- Improve cash flow
- Track customer buying habits and trends

OMEGA stands alone with unique gift and loyalty services. We offer complete, end to end solutions and can tailor a custom program to meet your unique requirements.

Our most popular program includes all of the following items for one low monthly price:

\$29.00/month

- Fully customized software with unlimited options for points, cash back, product rewards, and more
- Unlimited transactions
- A new, state-of-the-art terminal to process all of your POS transactions
- 100 semi-custom cards with your business prominently displayed
- 24 x 7, web based activity reporting to track customer buying habits/trends
- 3 – 5 day turn around and installation
- Marketing support
- Full training and 24 x 7 customer support
- Scalable for large chains or single stores
- Personalized, client oriented approach
